Scope of the Program:
MAGEC-STEM Plus is funded by the National Science Foundation (NSF). The program will support the selected students for 2 years (Junior & Senior Years Only) with AY scholarship-$1,500/year ($750 per semester) and will assist the students to participate in both on-and off-campus research and GRE workshops to gain admission into graduate schools. Selected students will also receive travel awards to attend/present their research at national conferences.

Eligibility:
- ALL Juniors with majors within STEM disciplines (i.e. Science, Technology, Engineering & Mathematics)
- ALL Juniors majoring in the Social & Behavioral Sciences
- Possess a 3.0 or higher cumulative GPA
- Good academic and disciplinary standing

Completed Application Packages should include:
- NSF-MAGEC-STEM Plus application
- Statement of Purpose (Essay explaining your potential contribution to the program and how it can benefit your future career goals)
- Two letters of recommendations or the NSF-MAGEC-STEM Plus student reference form
- Current transcript (Official/Unofficial copy)

Please submit application packages directly to:
